"A Celebration of Liberty"

## **Sherman man has 2nd patriotic CD**

Matt Fitzgibbons, a native of Meriden, has released his second CD, titled "Patriot 2: A Celebration of Liberty." The CD is the culmination of Fitzgibbons' merging his life-long passion for writing poignant songs with his deep respect for America's founding principles.

His first CD, "Patriot," was released in 2005 in the hopes of inspiring Americans to read the Declaration of Independence and the Bill of Rights. Letters from troops, veterans and online communities prompted him to spend the last year creating a second CD to spread his message further.

Patriot 2 "A Celebration of Liberty," was released on Veterans Day 2006.

The CD is available online at [www.PatriotMusic.com](http://www.PatriotMusic.com).
